Iluminated Signs

## Light Boxes Standard

LED light Boxes for indoor / outdoor use in sheltered areas

240v / 12v

DP-LK-A1   594mm x 841mm $

DP-LK-A0   841mm x 1184mm $

DP-LK-LG   1127mm x 1567mm $

Light boxes are rain resistant and are ideal for indoor and outdoor (sheltered areas) eye catching displays. With a slim frame that has hidden fittings and a key lockable cover this makes a great option for illuminated signs.
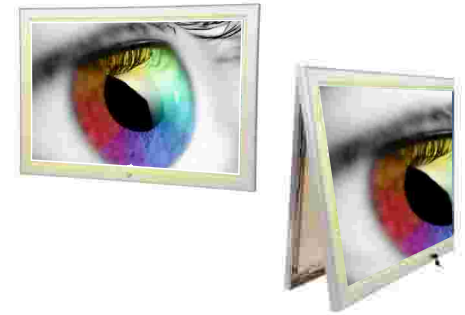

Light Boxes Custom Made

LED Custom made light boxes available in a range of sizes and shapes from indoor to outdoor, double sided or single sided.

Roll Screens

Standard Roll Screen (Silver)

DP-RS-1/760mm x 2050mm   Hardware $
Printed Textile Graphic $

DP-RS-1/850mm x 2050mm   Hardware $
Printed Textile Graphic $

DP-RS-1/1200mm x 2050mm   Hardware $
Printed Textile Graphic $

The Standard Roll Screen (RS-1) is the industry standard portable display. With the weight of only 3.6kg allowing the user to easily transport by plane either domestically or internationally without exceeding weight limit. The unit comes with a double canvas bag padded on the inside for safe travel.

Premium Roll Screen (Black/Silver)

DP-RS-P8/850mm x 2050mm   Hardware $
Printed Textile Graphic $

DP-RS-P12/1200mm x 2050mm   Hardware $
Printed Textile Graphic $

The Premium model roll screen (RSP) is the deluxe version of the RS-1. The RS-P is light weight allowing the user to easily transport by plane either domestically or internationally without exceeding the weight limit.
The unit comes with a double canvas bag padded on the inside for safe travel. The RS-P comes in two sizes so as to suit any application the 850mm is the most widely used due to its versatility without compromise on display space.

Deluxe Roll Screen (Black/Silver)

DP-RS-D904 1000mm   Hardware $
Printed Textile Graphic $

Adjustable height up to 2400mm

Deluxe Roll Screen Replacement Cartridge

DP-RS-D904-C $

The RS-D904 offers an option where graphics can be easily exchanged with the new cartridge system. This allows the end user the ability to change there image easily at different trade shows, events etc.

Double Sided Roll Screen (Silver)

DP-RS-7 850mm X 2050mm   Hardware $
Printed Textile Graphic $

The RS-7 roll screen allows images to be displayed from both sides, giving the user maximum coverage. Ideal for trade shows, malls and areas where both sides of the roll screen will be seen.

Economy Roll Screen

DP-ERS 850mm x 2050mm   Hardware $
DP-ERS 600mm X 1500mm   Printed Textile Graphic $

The Economy Roll Screen (ERS) is an economical portable display. With the weight of only 2kg allowing the user to easily transport by plane either domestically or internationally without exceeding weight limit.

The unit comes with a canvas bag for safe travel. Suitable for short term use, this pull up is designed as an economic option for clients on a budget or just wanting a short term display.

Banner Stands

X Banner C/C1

| DP-X-C1 | Hardware | $ |
| 600mm x 1600mm | Printed Textile Graphic | $ |

| DP-X-C | Hardware | $ |
| 1200mm x 2000mm | Printed Textile Graphic | $ |

X banners are an economic option for any retail display or presentation. They can be easily set up and transported.

L Banner

| DP-L-B | Hardware | $ |
| 900mm x 2150mm | Printed Textile Graphic | $ |

The L banner is specifically designed for maximum image area and stable stand structure. This allows the graphic to start from the ground as opposed to floating.

The size and design of this display is to mimic the roll screen functionality but with a more compact and lightweight structure. A useful addition to any large scale trade stand or Pop-Up Display.
